

A close-up photograph of a keyboard instrument's control panel. In the upper left, a panel labeled 'ORGAN' features a row of seven buttons: AMERICAN, ENGLISH, FRENCH, GERMAN, DEFAULT, USER 1, and USER 2. The 'DEFAULT' button is highlighted in yellow. Below this, the main keyboard is visible, showing black and white keys. A red diagonal line cuts across the bottom right of the image.

EVEN MORE POSSIBILITIES

ON YOUR JOHANNUS ONE

ONE KEYBOARD, SEVEN ORGANS & THE WORLD-FAMOUS JOHANNUS SOUND

The Johannus ONE is equipped with five organ styles as standard: American, English, French, German and Dutch.

As of now, you can download the extra organ styles American Strings and Neo-Baroque **free of charge**.

This will increase the number of stops from 80 to an incredible 112 – in addition to the many orchestral stops that the organ keyboard already boasts. Your ONE will become an even more versatile instrument.
